

Freestate Blackpowder Shooting

Provincial – 3 July 2010

Hi all Blackpowder Shooters,

As it has been communicated, we are hosting our first provincial (in history) on Saturday 3 July 2010.

We plan to start with registrations at 08.00 so that the first shoot can commence at 09.00.

We will utilize three ranges on the day:

- The 25yrd events will be on one range
- The 50yrd events on another range, and,
- The 100yrd events on the third.

All these events will run simultaneously which will result in participants moving between ranges, but this will be managed on the day.

Please remember we have a cash canteen, on the range, to sell food and beverages (non-alcoholic) and fires for a braai will be available after the shoot – we will also provide “pap and sous”. Bring along your full cooler boxes and a “vleisie”.
